Spa Repairs & Parts Business highly Profitable - Lifestyle Opportunity

This long-established and highly profitable spa repairs and parts business presents an outstanding opportunity for an owner-operator seeking flexibility, strong returns and a business with minimal overheads.

Servicing a large and loyal customer base, the business enjoys hundreds of repeat clients together with ongoing referrals from local pool shops, retailers and industry suppliers. With very few direct competitors in the market, the business has developed an enviable reputation for reliable service and specialist knowledge.

Basic knowledge is all that's required, with additional training, warm handover and ongoing manufacturer support provided

This an ideal opportunity for someone with general mechanical & electrical aptitude or trade experience. Training will be provided by the current owners together with ongoing manufacturer support and technical assistance available by phone and online.

The business is currently operated by a single working owner with modest administrative support and generates excellent profits while allowing the owner to enjoy genuine lifestyle flexibility. Set your own work hours, schedule bookings to suit your lifestyle, and enjoy the freedom of running your own business.

There is significant scope to expand the business by increasing social media presence, advertising and employing additional technicians or trade assistants, enabling the business to accept a greater volume of work and further increase profitability.

Key Features
