PREMIUM CAR WASH GOLD COAST 5983

A rare opportunity to acquire a turn-key, highly reputable car care business operating from a premium position within a high-class shopping centre. This is NOT your average car wash.

Why This Business Stands Out

High-Class Shopping Centre Location

100% hand-detailed - no automated machinery, only genuine craftsmanship

Extensive, loyal client base built over 15 years

Proven owner-operated success since 2011 - a trusted name with a track record

Currently run just 5 days a week - massive untapped upside for a hands-on operator willing to open weekends

Eco-conscious, biodegradable detailing systems - zero harm to prized vehicles, a genuine point of difference in the market

Ultra-low overheads - Very low rent

Long lease secured - stability and peace of mind for the new owner

Prime position surrounded by luxury vehicles daily - the exceptional quality of the clientele speaks for itself

This business is not under management, it doesn't have employees, it is operated by the owners.

The Opportunity

This business is currently only scratching the surface of its potential. With weekend trading alone, a new owner could significantly increase turnover almost immediately - the groundwork, reputation, and client base are already firmly in place.

Why It's For Sale

Genuine, urgent sale due to the current owner's personal circumstances. This is a motivated seller - and that means a serious opportunity for a quick-moving buyer to snap up a proven, cash-generating business at an absolute bargain price.

This won't last. Serious enquiries only - act fast before this opportunity is gone.

Contact us today to arrange an inspection and take the first step toward owning this exceptional business.
