Established Pizza Business MAS275

An outstanding opportunity to acquire a high-performing pizza business in the heart of the Sutherland Shire, one of Sydney's most sought-after coastal communities.

Established in June 2022, this business has built a strong and loyal customer base of over 7,600 customers, averaging 550 to 600 pizzas sold per week and generating over \$1.5 million in turnover across the last two years of operation.

The business operates seven short days a week from 4pm to 9pm, offering a streamlined and efficient model with multiple revenue channels including walk-in, pick-up, delivery, and direct online sales. Third-party platform revenue adds further scale, with all major channels contributing meaningfully to the top line.

The fit-out is clean, fully equipped with commercial-grade conveyor ovens capable of producing up to 220 pizzas per hour, a walk-in coolroom, full prep equipment, and all utensils included. Everything is in place for a seamless handover.

With a new lease available, this is a genuine walk-in, walk-out opportunity with strong upside for a hands-on owner.

Early inspection is strongly recommended.
