Established Abrasive Blasting and Coating Specialist

An opportunity to acquire a well-established abrasive blasting and coatings business with over 25 years of industry experience. The business provides abrasive blasting, protective coatings, spray painting, marine refinishing, and specialised surface preparation services to customers across the marine, industrial, automotive, commercial, and aviation sectors. Operating from dedicated facilities in Yatala, the business has built a strong reputation for quality workmanship, fast turnaround times, and reliable service delivery.

Highlights

- * Established business with 25+ years of trading history
- * Strong reputation and loyal customer base
- * Servicing marine, industrial, automotive, commercial, and aviation sectors
- * Fully equipped workshop with 3 paint booths and 1 sandblasting booth
- * Additional large-scale blasting facility for oversized projects
- * Diverse revenue streams across multiple industries
- * Fast turnaround times and efficient operational workflow
- * Forward bookings providing immediate revenue opportunities
- * Experienced team and established operating systems
- * Growing aviation painting division
- * Mobile blasting capability for on-site project work
- * Prime Yatala location between Brisbane and the Gold Coast

Why This Business Stands Out

- * Proven track record of delivering high-quality finishes
- * Specialised facilities and equipment create barriers to entry
- * Diversified customer base reduces reliance on any single industry
- * Strong referral and repeat business network
