Fabrication Business for Sale

This long established South East Queensland manufacturer is for sale. With more than 20 years of successful trading, it is a recognised market leader in the steel fabrication sector.

Focused on the construction sector, the business produces a wide range of structural steel footings, fasteners and bolts from its modern Brisbane factory, prioritising Australian made steel and components.

With a full-time General Manager overseeing the day to day operations, the owner does not work in the business.

- * High-quality Australian-made industrial products
- * Manufactured in a modern Brisbane-based factory
- * 14 full-time staff
- * New lease available
- * Sales exceeding \$6.5 million
- * EBITA of \$750,000
- * Highly profitable operation
- * Significant scope for expansion
