COMMERCIAL JOINERY SUPPLY & INSTALLATION PRICE REDUCED!

Established in 2008 this business has become one of the leading specialists in architectural joinery.

Their speciality space is in the joinery for the corporate fit-out industry & in "high end" residential projects.

Working with project managers, interior fit-out companies & builders, they are recognised for providing a high-quality product.

Although only a small part of their business, with a history in architecturally specific projects in the residential sector, they can provide a full design & construction proposal.

This is a wonderful business opportunity, built diligently over many years with focus on quality manufacturing & customer satisfaction.
