Established Commercial/Residential Glazing Business \$1.2M Revenue High Profits

Genuine turnkey opportunity to acquire a well-established and highly regarded glass and glazing business, backed by a proven track record, strong industry relationships and an experienced team already in place.

Established in 1999, the business has built an enviable reputation for quality workmanship, dependable service and customer relationships across the residential and commercial markets.

With approximately \$1.2 million in annual revenue and EBITDA exceeding \$400,000, the business provides an attractive combination of profitability, established goodwill and significant future potential.

Why this opportunity stands out

\$1.2M annual revenue

\$400K+ PEBITDA

Established trading history dating back to 1999

Strong, long-standing relationships with established builders

50% Commercial 50% Residential

High level of repeat and recurring work

Strong pipeline of future projects

Experienced and capable team already in place

Established reputation and customer goodwill

Diverse residential and commercial service offering

Opportunity for a motivated owner to build on an established platform

Genuine retirement sale

After many successful years in the business, the owner is ready to retire and transition the business to its next custodian.

Importantly, the owner is prepared to remain involved for an agreed transition period, providing the incoming buyer with valuable continuity and ensuring a smooth transfer of customer relationships,

operational knowledge and key business processes.

This is an ideal acquisition for an existing glazing or building-services operator seeking to expand, an industry participant looking for an established platform, or an entrepreneur seeking a profitable business with strong foundations and immediate cash-flow potential.

At \$990,000, this represents an attractive opportunity to acquire an established business generating more than \$400,000 in PEBITDA, with the benefit of an experienced team, established relationships and forward work pipeline.
