Excess Hire Business | Premium Lifestyle and Asset-Backed Opportunity

An exceptional opportunity to acquire a well-established, highly systemised excess hire business with a substantial asset base, proven profitability & a complete team in place.

\$3.6M+ P&E | \$1.95M F27 Forecast Revenue | \$690K F27 Profit - This is a genuine lifestyle business with the current owner working light hours while an experienced team manages the day-to-day operation.

The Opportunity

- F26 Sales: \$1,855,801 and F26 Profit: \$657,094 to one working owner
- F27 Forecast Sales: \$1,948,591 and F27 Forecast Profit: \$689,949 to one working owner
- P&E Fair Market Value: \$3,600,000+
- Extensive fleet of current, well-maintained equipment included & Two flatbed trucks included
- Full team & operational systems in place
- Equipment trackers fitted across the fleet
- 100% dry hire no wet hire
- Strong infrastructure allowing the business to operate with minimal owner involvement

A True Lifestyle Business

The business has been structured to provide an incoming owner with an attractive combination of strong earnings & lifestyle flexibility. The current owner is working light hours, with a capable team and established systems taking care of the operational requirements.

For an operator looking to acquire a proven business without needing to build a workforce, systems, fleet or customer base from scratch, this represents a compelling turnkey opportunity.

Significant Asset Backing

A standout feature is the \$3.6 million-plus fair market value of plant and equipment included in the sale.

The fleet comprises current equipment maintained to a high standard and is supported by tracking technology across the equipment and both flatbed trucks, providing enhanced oversight and asset management.

Turnkey and Systemised

The hard work has already been done. The successful purchaser will inherit:

- An established and profitable operation with an Experienced full-time team
- Proven systems and processes
- Significant equipment fleet & Two flatbed trucks
- Asset tracking infrastructure
- Established dry-hire model
- A business capable of delivering substantial owner earnings

The Numbers speak for themselves

With forecast FY27 revenue approaching \$2 million & forecast profit of approximately \$690,000 to one working owner, combined with more than \$3.6 million in fair market value of P&E, this is a rare opportunity to acquire a profitable business with significant tangible asset backing. Strong earnings. Significant assets. Ideal acquisition for an existing operator seeking to expand their fleet, a buyer looking for an established asset-backed business, or an owner-operator wanting a high-income lifestyle business with the infrastructure already in place. Opportunities of this calibre are rarely offered to market.

Sale Price: \$5,500,000 includes \$3,600,000 of Assets (near new & in excellent working order)
