Premium Acquisition Opportunity | Advanced Waterproofing & Protective Coatings Specialists

Positioned at the forefront of South Australia's construction sector, this highly regarded waterproofing and protective coatings business presents an exceptional opportunity to acquire a profitable, recession-resistant operation with more than 15 years of proven success.

With an established reputation for delivering premium solutions across commercial, industrial, institutional, and luxury residential projects, the business has secured its place as a trusted contractor for some of the state's most significant developments.

Supported by an experienced team, industry-leading accreditations, and more than \$1 million in secured forward contracts, this is a rare opportunity to acquire a business with immediate cash flow, strong profitability, and substantial room for future growth.

Why This Business Stands Out

Over 15 years of successful trading and industry leadership

Strong recurring revenue generated from long-standing commercial relationships

Accredited applicator for major international manufacturers and construction brands

Diversified income streams across waterproofing systems and epoxy flooring solutions

Skilled and highly experienced workforce with specialist technical expertise

Strong reputation for quality workmanship and project delivery

Low capital expenditure requirements and attractive profit margins

Broker Ref: 26199

Structured systems and processes supporting continued growth

A Trusted Partner Across Multiple Industries

The business has built an enviable client base spanning:

Commercial and mixed-use developments

Hospitals and healthcare facilities

Schools and educational institutions

Luxury residential projects

Warehouses and industrial sites

Government and infrastructure projects

Its reputation for reliability and technical excellence has resulted in a steady pipeline of repeat work and referrals from builders, developers, and asset owners.

Exceptional Financial Performance

The business delivered outstanding results in 2026:

Revenue: \$1,506,426

EBITDA: \$479,293

Combined with over \$1 million in secured future contracts, the business offers buyers immediate profitability and strong visibility over future earnings.

Significant Growth Potential

An incoming owner will benefit from multiple expansion opportunities, including:

Expanding operations into new geographic markets

Introducing complementary construction and coating services

Increasing market share within the premium residential sector

Developing additional maintenance and recurring service contracts

Leveraging existing relationships to secure larger commercial projects

Ideal for

Strategic buyers seeking to strengthen their construction services portfolio

Waterproofing or coatings businesses looking to expand into South Australia

Private investors searching for a profitable, cash-generating business

Industry operators wanting an established platform with proven systems and infrastructure
