Brisbane Concrete Pool Specialists - 5993

ESTABLISHED AWARD-WINNING POOL & LANDSCAPING BUSINESS

An outstanding opportunity has arisen to acquire a highly recognised, family-owned and operated pool and landscaping business with an impressive 30+ year trading history in Brisbane.

This multi-award-winning business has built an enviable reputation for delivering premium, fully customised concrete pool and landscape projects, supported by an experienced team with approximately 50 years of collective industry experience.

Operating from Brisbane's Southside, the business services clients throughout South East Queensland, with an established customer base that includes nationally recognised leading home builders. Strong, long-standing relationships with builders and industry partners provide the business with an excellent platform for continued growth.

A key point of difference is the business's ability to deliver complete design and construction solutions, from professional 3D concepts through to the finished project. Each pool and landscape is customised to suit the individual property, lifestyle and requirements of the client.

The business is supported by an experienced team and established management structure, providing an incoming owner with the opportunity to acquire a well-established operation rather than a business reliant solely on the owner.

This is a rare opportunity to acquire a highly regarded, award-winning family business with a proven track record, strong industry relationships, experienced staff and an established market presence, and to continue building on a legacy spanning more than three decades.

PRICE: \$2,500,000 WIWO
