Iconic Pizza Institution - 40 Years Trading MAS280

A rare opportunity to acquire a true Sydney institution - a beloved pizza business that has been feeding the local community for 40 years and remains as popular today as ever.

Located in Sydney's South West, the business benefits from decades of goodwill, a fiercely loyal repeat customer base, and a well-established reputation built on quality and consistency.

Operating five nights a week across short trading hours, this is a lean, efficient operation with cost of goods and wages well under control.

A secure 3+5+5 lease is in place, providing the incoming purchaser with long-term stability and confidence to build on an already outstanding foundation.

This is a genuine walk-in, walk-out opportunity with 40 years of community trust behind it. Early inspection is strongly recommended.
