Established Bakery & Retail Business For Sale | Melbourne

Profitable Bakery & Food Production Business Melbourne

\$230K Adjusted Profit | Semi-Managed Operation

An opportunity to acquire a profitable food production and retail business with an established customer base, proven operating systems and multiple revenue streams.

The business combines centralised production with a retail presence, supported by online sales, corporate orders, catering and delivery services. With an experienced team managing day-to-day operations and limited owner involvement, the business offers an attractive opportunity for an owner-operator, hospitality group or investor seeking an established operation with further growth potential.

Business Highlights

- Average weekly revenue of approx \$19,000
- Peak weekly sales reaching approximately \$25,000
- owner involvement of approx 15 hours per week
- Experienced team of 7 staff
- Fully equipped production facility and retail infrastructure
- Established online ordering and delivery channels
- Repeat customers across retail, corporate and event markets
- Cost of goods approximately 18%, including packaging
- Opportunity to expand wholesale distribution, corporate accounts and catering

The business operates from two leased premises, providing dedicated production capabilities and a customer-facing retail channel.

Business Brokers Network
Australia
Broker Ref: 26590

Existing equipment, operational systems and trained staff provide an incoming purchaser with the infrastructure required to continue trading without the substantial upfront investment associated with establishing a comparable operation.

Growth Opportunities

- Expand B2B supply and recurring corporate accounts
- Develop wholesale partnerships and distribution channels
- Increase production utilisation and online sales
- Introduce additional product lines and targeted marketing campaigns

Why This Opportunity?

With annualised revenue approaching \$1 million, attractive owner earnings and an experienced team already in place, this business offers an established platform with meaningful opportunities for further expansion.

The combination of existing infrastructure, diversified sales channels and limited owner involvement makes this a compelling acquisition for buyers seeking a profitable food business with operational continuity.
