Concrete Taxi Franchise - Darwin! Mobile Truck Opportunity! Potential $100 - 200k EBITDA!

Tired of working for a boss?

Tired of heavy construction work and looking for something easier?

A Concrete Taxi franchise can be considered as a Mobile truck with a contract. There is presently no shortage of work.

Concrete Taxi is seeking franchisees for the Darwin NT areas.

Franchisee's role is to deliver cement and aggregate to the site and mix concrete. Wheelbarrows are provided for customers use to disburse concrete - if required!

Potential return is approximately $100,000 - $200,000 EBITDA per annum

Ideally suited to an energetic motivated owner / operator

Previous experience is not necessary. Training is provided

A MR truck license is required

Cost summary:

Franchise Fee is $50,000 (+ GST) for a 5+5 year franchise agreement

Marketing contribution of $2,500 (+ GST)

New vehicle (Isuzu FRR 110-240) is approximately $240,000 (+GST) for an automatic model. (Subject to change)

Some information about Concrete Taxi...

Established in 2002 with 33 franchises / trucks in Queensland, NSW and Western Australia

Concrete Taxi is suitable for small jobs requiring under 2 cubic meters of concrete or approx. 20m2 slab.

Customers include renovators, building companies, government departments

Marketing and job canvassing is done by the expert and dedicated Call Centre

Complete job packages are passed on to the Franchisee via a GPS messaging / tracking system

Most Franchisees successfully operate from home or landscaping yards

More information can be found at www.concretetaxi.com.au

Finance may be available to approved applicants via a specialist broker
