Heavy Haulage Machinery Transport Business for Sale QLD

For Sale

Location: **QLD**

Asking: **$2,350,000**

Type: **Transport/Automotive**

Established Heavy Haulage Machinery Transport Business 6010

Established Heavy Haulage & Machinery Transport Business

Queensland | $2,350,000

An opportunity to acquire an established heavy haulage and machinery transport business servicing local and interstate transport requirements.

Specialising in low-loader work and machinery cartage, this business would suit an experienced transport operator or an existing company seeking to expand its services and geographic reach.

Business highlights:

- Established regional Queensland operation

- Heavy haulage, low-loader and machinery transport services

- Local and interstate work

- Owner-operated, with responsibilities split between office administration and management of the trucks and yard

- Suitable for a hands-on buyer or an existing transport business

Asking price: $2,350,000
