Asking: **$200,000**
Type: **Franchise Resale** / **Services-Other**

Solar Panel Cleaning Franchise for Sale

If you like working outdoors, being your own boss and setting your own hours, this business could be just what you are after.

Your day-to-day activities will include cleaning solar panels, conducting visual and thermal imaging inspections, preparing reports, plus bird and animal proofing solar panel systems.

The franchise you will be stepping into is well established. It is in an area where a high and growing proportion of homes and businesses have solar panels. This provides strong opportunities for growth. Over the years, this business has built up a substantial database of repeat customers across the Western Suburbs, Nepean Region and Blue Mountains. Many of these customers have regular scheduled annual services.

The business is part of the national EcoKleen Franchise System. Being part of a franchise system, you will enjoy:

* Proven systems and procedures

* Full training across all areas of the business

* Maintenance of the website is taken care of for you

* Support and branding from the franchisor

* Being part of a national network

For the 2026 financial year, this franchise achieved a profit to the owner of over $130,000.

The business is operated from home and does not occupy commercial premises. Not only is this convenient, it also helps keep overheads low and profits high.

This quality business comes with all tooling and a utility vehicle - all for just $200,000.
