Inner West Established Seafood Restaurant for sale MAS285

Fantastic opportunity to acquire a well-established seafood restaurant in Sydney's popular Inner West, operating successfully for approximately 8 years.

Known for its fresh seafood, quality fish and chips and simple, easy-to-manage menu, the business has built a loyal local following and strong reputation in the area.

Featuring a spacious, well-presented indoor dining area with seating for approximately 40 guests, the venue offers a relaxed and welcoming atmosphere for families and casual diners.

The business benefits from strong dine-in and takeaway trade, complemented by an established online ordering and delivery presence, providing multiple revenue streams.

Trading 7 days a week, with a new lease available and two allocated car spaces, this is an excellent opportunity for an owner-operator or experienced hospitality buyer looking to take over a proven and established business.
