Appliance Repairs Business for Sale

Are you technically minded plus keen to run your own business and control your own destiny? If you are, this could be just the business you have been looking for.

Based in the Blue Mountains, this business has been trading for four decades. It specialises in repairing household white goods such as washing machines, stoves, cooktops, ovens and dishwashers.

As a result of its long trading history, the business is broadly known in the area and has plenty of repeat customers. This means that the business receives an ongoing stream of enquiries providing a solid flow of work to keep you busy.

This business comes complete with a utility vehicle, trailer, stock and a variety of specialist equipment. As a result, it is ready for you to step into and start trading.

As the owner is now easing into retirement, this business is being offered for sale at just $60,000 walk in walk out. This represents tremendous value!

The location of this business is not exact, it is indicative only.
