Strong margins and efficient operations provide a solid platform for immediate returns. With a clear upside through expanded marketing, increased production days, will allow product line expansion, or new distribution channels.

Ideal For

An owner-operator seeking strong income with flexibility

A trade buyer looking to bolt-on and scale

A buyer interested in appointing management and developing operations

This is a rare opportunity to secure a profitable, certified manufacturing business in one of Australia's most desirable regions with systems in place, strong fundamentals, and significant growth capacity.
