Iconic Italian Patisserie For Sale MAS 287

An exceptional opportunity to acquire an iconic Italian patisserie and cafe in Sydney's thriving Inner West, with an impressive 40-year history and an outstanding reputation among locals and visitors alike.

Renowned for its authentic Italian cakes, pastries, cannoli, gelato and freshly baked goods, this well-established business has become a popular destination for traditional Italian desserts, quality coffee and casual dining.

The business features an extensive commercial kitchen and production facility, complete with professional baking and pastry equipment, cool rooms, refrigeration and attractive display cabinets. With seating for approximately 40 customers across indoor and outdoor areas, it provides a welcoming atmosphere for its loyal customer base.

In addition to its busy retail cafe operation, the business benefits from established wholesale supply to other outlets, online ordering, delivery services and custom cake orders, providing multiple revenue streams.

With its longstanding reputation, substantial production capabilities and established trading history, this is a rare opportunity to acquire a landmark hospitality business in one of Sydney's most sought-after dining regions.
