Industry-Leading Mechanical & Hydraulic Specialists | Trusted by Commercial Fleet Operators

Behind the doors of this long-established industrial operation lies a business built on reputation, precision, and decades of trusted relationships.

Servicing a diverse portfolio of commercial and industrial clients, this highly regarded engineering and mechanical services business has become an essential partner to some of the region's key industries, delivering specialist diagnostics, maintenance, overhaul, and technical solutions that keep critical operations moving.

With proven profitability, experienced management, and infrastructure already in place, this is a rare opportunity to acquire a business that offers both stability today and significant growth potential for tomorrow.

Why Buyers Will Love This Opportunity

Established and profitable operation with a multi-decade trading history

Strong recurring revenue generated from a broad mix of industrial and commercial clients

Premium workshop facilities and specialised equipment that would be difficult and costly to replicate

Skilled and experienced workforce supported by established systems and management

Long-standing customer relationships built on trust, reliability, and technical expertise

Proven financial performance with opportunities for future expansion

Business Brokers Network Australia
Broker Ref: 26198.1

Structured handover available to ensure a seamless transition

Exceptional Financial Performance

In 2026, the business achieved:

Revenue: $4,812,011.00

EBITDA: $689,047.00

The numbers tell a compelling storya mature, well-managed business with strong foundations and consistent profitability.

Untapped Growth Potential

For an incoming owner, the opportunity extends far beyond the existing operation:

* Increase workshop capacity and service volumes without significant capital expenditure

* Expand into complementary engineering and industrial sectors

* Grow the mobile and field service division into surrounding markets

* Increase recurring contracts and strengthen existing customer partnerships

* Unlock additional revenue streams using the current infrastructure and expertise

Perfect For

Strategic acquirers looking to expand their industrial footprint

Engineering or mechanical businesses seeking a high-performing regional operation

Private investors or management teams searching for a scalable acquisition

Industry professionals ready to step into an established, profitable enterprise

This is more than just a business acquisitionit's the opportunity to take ownership of a respected industry leader with decades of goodwill, proven systems, and a strong platform for future growth.
