Established NSW Automotive Workshop Light & Heavy Vehicle Specialists | EBITDA $275K

This long-established automotive business combines general mechanical servicing with specialist brake, clutch, 4WD and heavy vehicle capabilities. Trading for more than 35 years, it services private motorists and commercial customers, including businesses supporting the region's mining industry.

Located in an established industrial precinct, the workshop benefits from main-road exposure, accessible premises and proximity to the New England Highway. Separate light and heavy vehicle work areas, ample parking and a drive-through inspection bay support its broad service offering.

Key business highlights

* Established trading name with longstanding customer relationships and repeat business.

* Diverse services spanning logbook servicing, mechanical repairs, diesel maintenance, fleet servicing and vehicle inspections.

* Specialist capabilities including 4WD suspension and GVM upgrades, flywheel machining, and brake and clutch hose manufacture.

* Eight staff, including two apprentices

* Workshop equipment upgraded during the current ownership.

* Primarily weekday trading, with Saturdays by appointment.
