Well established kitchen manufacturer

Asking Price: $580,000 + Stock At Value

This is a well established business with a mixture of builder and residential customers. Established in 2006, the business is very well known in the Hawkesbury area, it has an impressive manufacturing facility as well as a spacious showroom over two levels.

With FY2026 revenue of $2.15 million and normalised owner-operator net profit (PEBITDA) of $340,000 approx (after adjustment for market rent and outgoings), the business may suit an experienced cabinetmaker, industry operator or existing joinery business seeking expansion.

Key features:

* Kitchen design, manufacture, supply and installation, including supply-only work.

* Additional products including laundries, wardrobes and vanities.

* Mix of builder and residential customers.

* Showroom featuring kitchen displays and material selections.

* Manufacturing workshop featuring CNC machinery, edge-banding equipment and a sliding-table saw included in the asking price.

* Owner involvement at approximately three to four days per week.

* Vendor owns the premises and will offer a 5+5 year lease.

The Hawkesbury's established residential suburbs and planned housing development provide opportunities to pursue renovation work, new-home cabinetry and relationships with local builders.

A purchaser could also explore additional showroom marketing and broader joinery sales.
