WESTERNPORT MARINA, VIC

Imagine Waking Up to This Every Day

Picture trading the gridlock and fluorescent lights for the gentle knock of halyards against masts, the smell of salt air, and a workshop where the "view" is a marina full of vessels waiting for your craftsmanship. This isn't just a business for sale it's an invitation into one of Victoria's most tightly held waterfront addresses.

Complete Boat Repairs has operated from this rare, exclusive position within Westernport Marina, Hastings since the mid-1990s. In marinas like this, workshop leases don't come up for grabs they're inherited, fought over, or simply never vacated. This is your chance to secure a foothold that most tradespeople spend a lifetime hoping for.
