Well known brand name in WS supply of workshop consumables and tools

NET Profit \$577,742

For over 50 years this brand has been supplying workshop consumables and tools to the automotive trade and industrial maintenance workshops.

Established in 2010 by the Australian franchisor, the territory has since grown in turnover and profits and is now fully systemised with solid infrastructure and procedures in place for a new owner to take it to the next level.

The business shall be sold under a franchise agreement however in this case there are no ongoing franchise or royalty fees payable.
Full training shall also be provided (as per the franchise agreement) at no additional cost.

Highlights: -

- * Monday to Friday
- * Full training provided
- * All stock and plant included
- * Can be relocated to suit buyer
- * All staff in place
- * 8,000 lines currently available with access to over 80,000 more
- * Full assistance and training provided by the sellers
- * Well known world wide brand
- * Respected name in the industry
- * Excellent net profit to one working owner
- * Could be operated under management
- * Proven history
- * On going support from the local franchisor
- * Systems, procedures and structures in place

For sale all inclusive \$1,900,000
