Leading Kawasaki Dealership

- * Exclusive Dealer
- * Highly Profitable
- * Main Road Position
- * Full Range of Products and Services
- * A motor bike Riders Dream

Australia's Number 1 Exclusive Kawasaki Dealership is now available for sale. Located on a major road, this high profile dealership operates from a modern showroom with a fully equipped workshop. There's a significant amount of traffic driving past everyday which has helped the business have consistent sales and profit growth year after year.

They sell a huge amount of new bikes and also offer a full range of associated services including spare parts and workshop service, finance and insurance solutions as well as all the accessories that bike riders could want.

Trading just 5 1/2 days per week, there are trained staff in place with many years experience allowing the owner to focus on driving more sales and running the business from the start. Being an Exclusive dealership means that you are protected from other distributors opening up nearby meaning that you have a lot more protection compared to most businesses out there.

There is still huge amounts of growth available for a new owner with fresh energy and with significant development in the immediate area, the future looks very bright indeed.
