#### Business for Sale Description

Auto Wrecking Business for Sale Hervey Bay QLD Asking: \$99,000.00 WIWO + F/Hold

This business for sale in Hervey Bay is the premier Auto recycling/wrecking, vehicle parts and accessories and scrap metal salvage yard!

This auto recycling business has been in operation for over 20+ years and now operates from an exceptional freehold premises that has been specifically set up for this type of industry.

The business comprises of dismantling of vehicles and the retail sale of whole used vehicles, parts and accessories for almost all vehicle brands and scrap metal.

The business has an exceptional storage system with the majority of parts labelled and in specific sections for easy access. This is backed up with computer systems for easy searching for part to ensure all client requests are met.

The premises is fully secured with concrete walls around the boundary, locked and gated storage yard and security in place for the main building and office.

The business is currently run by a family with the two working owners wishing to retire and the other staff (2) happy to continue on.

Some licencing is required by the Qld government but can easily be gained in the transaction process (Motor dealers dismantling licence).

Vendor would prefer a Freehold sale but will consider a Leasehold sale to the right applicant.

This is an exceptional business with fantastic systems, procedures, growth opportunities and staff in place and we highly recommend your enquiry today.
