Business for Sale Description

Advertising Media Business for Sale Melbourne

Exclusively listed and presented by TRIDENT Business Sales is this Rare and exclusive opportunity to acquire an advertising company in its infancy.

From start up 5 years ago this Melbourne based mobile LED billboard company is going from strength to strength. With the advertising sector changing rapidly, nothing can take the place of being seen, and this company communicates messages for its clients to advertise or promote on state of the art LED screens for outdoor advertising.

Forget small billboards dragged along on scooters through the CBD which need to be printed and framed, these MASSIVE LED screens on purpose built trucks are cutting edge.

The HyperScreen LED trucks are state of the art in design and meet all Australian Design and Electrical Standards. They are fully self sufficient with on board generator, sound system, WiFi and ability to receive Live Feeds. The set up time is ultra quick and easy, only 15 minutes, making the operational side very slick.

This company is exciting, effective, noticeable, their messages are instant and configurable, dynamic and affordable. There is nothing else like it in the market, and certainly nothing like it on the business sales circuit.

This business has impressive turnover, low overheads, vehicles, equipment, procedures and processes in place to make this acquisition easy.

Can be an easy bolt on business to an already established advertising organisation, or acquired by someone who can continue the growth and expansion.

With the Head Office In Melbourne, but operations in 5 states, this is a truly National business.
