**kidsgut.com kidshealth.com.au Over 4000 pages of content written by health experts. The e-courses are written by health experts It is all set up and all is needed it to market the e-course via fixed date marketing or drip feed. It is highly profitable but I am over it. It is set up to launch in the UK where the market is absolutley huge for kids gut health.**

### **Business for Sale Description**

Kidsgut Kids Health Business for Sale Melbourne Asking: \$50,000+gst

Learn how balanced gut bacteria can improve the physical, psychological and emotional wellbeing of your child with our 10-module, go-at-your-own-pace course.

#### **the-course**

Written by the brightest specialists (many of whom have PhDs) this program is broken down into 10 modules which are packed full of punch and actually useful. The course is highly digestible including plenty of tasty articles, interviews, videos and printouts for the fridge.

#### **nutrition**

Strengthen your child's microbiota and build immunity through nutrition (you will love our 150+ gut friendly recipes supported by simple "fussy eater" tips) and learn how to use food as medicine.

#### **expert-advice**

Learn practical advice on gut health and how it can impact: anxiety, energy, diet, toxins, allergies, intolerances, behaviour (ADD, ADHD & AUTISM), learning and overall happiness and wellbeing. Be supported by our private community of experts and students.

## happy-kids

Transitioning your kids to a healthier life is only a click away. Even if you only make one change as a result of this course, it will benefit your child's health forever.

## Business Resources

Content written by accredited health experts which has been curated into e-course materials.
