### Marine Dealership - South East Queensland - 50% shareholding for sale

#### Business for Sale Description

Marine Dealership Business for Sale South East Queensland Asking: \$600,000

This hugely successful South East Queensland Marine Dealership has current sales of over \$10,000,000pa. Established since 1995. This business has a solid reputation in the marketplace and has been one of the top ten marine dealerships in Australia for the past 10 years running. Highly trained staff have the experience and knowledge to guide customers with the perfectly suited boat package, Outboard, Trailer or piece of boat equipment. The business endeavours to give customers that extra bit of personalized service and guide you through your purchase. The business specialises in economical boat, motor and trailer packages to suit everybody's budgets and requirements.

The business is in a very central location fronting a busy main road. The location has great signage and exposure. The site has an ideal layout featuring good sized indoor and outdoor display space. The shop fit out is first class and features an array of very modern fittings and equipment. A yard jam-packed with new and used boats, a showroom crammed with boating accessories and a busy service workshop have created a business with several income streams.

There are currently two owner partners in the business. With one owner is now approaching retirement age he has decided to sell his 50% share of the business. With all the hard work done and the remaining partner keen to stay on in the business for many years to come, now is your opportunity to purchase half of this flourishing business. This sale is strictly confidential. Information will only be provided to approved parties once a confidentiality agreement has been completed. A 50% shareholding of this business is for sale at \$600,000+stock (approx \$400,000)
