## Growing Telecommunication Solution Business For Sale

### Business for Sale Description

Telecommunications Solution Business for Sale Brisbane Asking: \$280,000\$280,000

Today's ever increasing changes in demographics and globalization present challenges to business and opportunities for development. The Telecommunications industry is fast evolving with new products and solutions utilising the internet. This business provides a range of products and solutions to help meet these changes and overcome these challenges.

Established in 2007, the owner is now ready for retirement. Sales last year were over \$1.9m, up from \$1.7m in the previous year. A fully qualified team of sales and technical staff are in place, as well as an Operations Manager.

With all the development and infrastructure planned in South East Queensland in the next five years this business is well poised to benefit.

A comprehensive handover is available to a prospective purchaser.

An exciting opportunity for the right buyer in a fast evolving industry.
