Water Tanks Business for Sale SYDNEY Asking: \$85,000Negotiable

\*Home Based...

\*One Man Operation....

\*Over \$80,000pa To Owner...

\*Established 2002...

#### **Business Resources**

This is one of those businesses that is a dream to own/operate. It's all done from home and you have no employees. Once the owner receives an enquiry, he quotes and, if accepted he orders the equipment from regular supplier /manufacturers and organises installation. The business is the preferred supplier for a major supplier. The on-going maintenance of installations ensures future income stream.
