Type: **Manufacturing / Construction**

### Successful Gold Coast Security Screen and Awnings Business

#### Business for Sale Description

Security Screen and Awnings Business for Sale Gold Coast Asking: \$120,000

This fantastic business is a proudly locally owned and managed company which has been successfully operated by the current owners for the past 24 years. The business manufactures and installs Security Doors, Grills, Screens and Locks for both residential and commercial property. The business comes complete with all necessary manufacturing equipment and the fully equipped company delivery van.

Although some trade qualifications and experience are desirable there are no essential skills required that cannot be taught as training will be provided by the current owner. The only licencing requirement is a current QBCC licence.

This successful business has a long history of highly profitable operations, a fantastic reputation and a wide and ever growing coverage base of local & regional customers. The business showed a net return to the owners in 2018 of \$126,004. The business is currently run by a husband and wife team with no additional staff. After a long and successful tenure the current owner and his wife are looking to retire and pass this great business onto a new owner. The current weekly commitment from the owners is approximately 45 hours per week of manufacturing and installation work from the husband and approximately 15 hours per week of administration work from his wife.

This well established business is now on the market for only \$120,000+stock (approx \$20,000)
