Business for Sale Description

Laser Cutting Business for Sale Melbourne

Melbourne Laser Cutter has been in operation for over 5 years and is a leader in the industry. With a strong reputation and wide range of clientele. This business is now up for grabs, it's priced to sell and it won't last long on the market!

Are you -

Someone who is looking to expand their existing offering to their clients. For example an events company or graphic design firm.

Someone looking to work from home with minimal hours and a reliable income.

Someone looking for a career change into a creative field!

The laser cutter can cut various plywood, bamboo, acrylic, papers, cardboard and plastics. Types of projects include stencils, jewelry, signage and custom gifts. Major clients and repeat business. Worked with massive retailers on installations, an array of designers, cafes, small business, students and individuals. State of the art website with over 3000 visitors per month.

Run by 1 full timer staff member who is based in the Philippines who manages the production schedule, quotes, phone calls, online chats and day to day operations. The working owner puts in 1 day per week completing production and the rest is managed offshore. Business comes complete with website, all intellectual property, laser printer and accessories.

This business has been setup in an efficient way to have minimal overheads whilst offering a strong customer service experience. This is the perfect first business for the right buyer!

The website has strong SEO presence and comes up Number 1 when searching keywords in the industry such as "Laser Cutting Melbourne" thus creating a large amount of organic enquiries.

The business can easily be taken over with full training provided by the vendor. Youtube videos have been created for a smooth handover and thorough training. All operations are run from a private premise in Abbotsford, and are totally relocatable. Full business details are available after completing a confidentiality agreement with the listing agent.
