Business for Sale Description

A highly successful Used Car Sales Yard business for sale in a well-positioned highly visible position. This pre-owned car business has a 4x4 and Ute strong arm that attracts a vast small business owner clientele, setting the establishment apart from regular used car sales yards. Well liked with an interactive Facebook page, this auto trader business has an established reputation for Custom 4x4 Sales and Financing.

No need to spend excruciating and costly time to build a name in this big ticket industry. This is a lucrative opportunity for a smooth take over of an existing, well established used car business. Seller has other business commitments, however he has enjoyed his time spent in this used car business with it's constant flow of action, supply and demand.

A great entry level into an expensive and almost unobtainable industry for many, the business is running on just a small manageable stock holding, making this a comfortable bite size at a very low purchase price, and reducing investment risk. To add, arrangements for consignment stock is already set up which provides a broader range of stock without investment.
