Country Cottages & Homesteads - BG

This eco-award winning retreat offers guests endless views of the majestic Noosa Hinterland. Sleeping up to 23 guests in total, the 29 acre property includes 5 styles of self-contained accommodation ranging from 3 x 2 bedroom cottages, 1 x 3 bedroom home and a 1 bedroom romantic cabin plus basic owners accommodation. The long established business has a loyal clientele given they cater to everything from romantic weekends and family get-togethers to the pet friendly and long term stay market. Furthermore, overseas visitors just love it as they do the authentic Country Australia experience so very well. Trip Advisor must also think they are a pretty impressive too with the operation having been awarded 4.5 stars with platinum status. Furthermore, all council approvals are in place for 2 additional cottages for when you are ready to add more. Even the power and septic infrastructure is in place. The property also boasts a large solar power array, Tesla car charging stations, additional storage, an amphitheatre, walking trails, swimming holes and more. This opportunity is a magnet for those seeking a quieter and more relaxed lifestyle combined with a tidy income stream from staying semi-productive. Contact us today for further information or to arrange an inspection by appointment only.
