Business for Sale Description

Tapas Bar and Restaurant for Sale Newcastle Asking: \$49,500

First time offered by exclusive brokers and not expected to last long, this authentic Mediterranean tapas bar has an eye-catching open kitchen and a wonderfully relaxed feel. Enjoy a jug of Sangria in this Spanish inspired cafe with its cosy, friendly, down-to-earth ambience.

A favourite with the locals and patrons from all over the Hunter, the business has very much become a destination and it pays to book or get there early.

This brilliant business trades five (5) short nights only and is always busy. The reasonable rent is secured by a new 5 x 5 year lease with an upstairs flat on offer and a big car-park at rear. Enquire now you won't be disappointed.
