CONTACT AGENT FOR PRICING AND LISTING DETAILS

ELECTRICAL & MECHANICAL CONTRACTORS:

FY 2018 Sales revenue circa AUD \$ 8.3 M

Since inception in 1993, the company has experienced significant growth Year on Year since formation.

A specialised industry with high entry level and very well respected in the industry by their peers.

Electrical & Mechanical service provider

These include: Project Management, Service, Breakdown and Installation

Switchboard Installation

Water Treatment plant Installation, Upgrades and Service.

Service & Repair of Pressure reducing valves

Pump station installation and upgrades

Flowmeter Installation, Service and Verification, Fibre cable installation and repairs

Pump station upgrades, with ongoing service contracts in place

An acquisition by larger tier 1 or tier 2 company with a similar Electrical & Mechanical civil constructions infrastructure would be a logical progression and would offer the acquirer the opportunity to capitalise on the existing infrastructure and database of Clients. Either as a bolt on the existing business model or as a stand-alone entity to this specialised industry sector. Alternatively, a new synergistic entrant in this specialty area would take advantage of this very solid business model and platform to establish themselves in this space. A smooth transition period will be made available to the successful acquirer post settlement, with the option of one of the current directors remaining in a management role and shareholder if required to assist in future planning, developments and maintaining current and projected contracts with healthy profits Well into the future with realistic continued growth forecast projected.
