Niche Event Hire Business - \$10k bookings 2019

Business for Sale Description

Niche Event Hire Business for Sale Maroochydoore QLD Asking: \$59,000 WIWO

Beautiful Lifestyle business that has bloomed and boomed and is now too large for the current owner to handle. Was originally started it as an value-add onto her existing venture but soon took on a life of its own and continues to expand organically via word of mouth, referrals and social media.

With bookings well into the year the new owner will hit the ground running with almost \$10,000 of scheduled events for 2019.

All the hire equipment is in pristine condition and presents as new, that's because most of it is less than 12 months old.

The inventory has been added to each and every month as more was required to service the growing number of bookings.

Currently there is everything you'll need to service events all summer long and could easily be handled by 1 x working owner. Servicing mainly a 30km radius from Maroochydoore from a home base location.

Could easily outgrow its home base and expand into an extraordinary enterprise with virtually no competition within the niche client base.

Optional - Signwritten 2018 Hyundai iLoad Van @ \$35k
