Big profits News Agency & Golden Casket Toowoomba SS

Vendor needs to retire!

This busy and very profitable News Agency and Gold Casket business is located in the booming city of Toowoomba and is a Golden opportunity for a family or couple looking to operate their own business. The business is very easily run, currently by a couple/family and is positioned on a very busy main road, within a key shopping complex and right next door to an extensive retirement village. They have a very loyal and regular client base with other very compatible businesses also located in the shopping complex which has been in operation for a long time. The business stocks all the common items sold in a News Agency business such as gift cards, magazines, stationery, wrapping paper, general gifts but also drinks available and cigarettes. The jewel in the crown is the Golden Casket agency which is a strong part of the business and has recently received a facelift with all the current advertising and marketing banners and systems.

This is a very profitable business with a great return on investment so we highly recommend your enquire today.
