DISTRIBUTION AND INSTALLATION BUSINESS FOR SALE

*Operating over 25 Years...

*Specialised Lines...

*No Direct Competition...

*Strong Repeat Business...

*Expansive .Customer Base....

With an EBITDA 2018 Well Over \$300,000 this business just keeps powering on in an ever expanding market place. The owner and his team of contractors only work 5 days a week to distribute, install and maintain in demand products to households, councils, schools and commercial establishments.

The business has only hit the market as the owner wishes to retire. It's a beauty now and can only keep getting better!
