Attention Builders and Carpenters. Get off the Tools and start making the big bucks.

Established for almost 40 Years
Net Profit in excess of \$260,000 for working owners
Exclusive Distribution of a market leading product
Run from home anywhere in Queensland
Huge opportunities for further growth.

With a 40 year track record, this market leading business sells and services Sauna's and steam rooms across Queensland, predominantly in the South East. Their customers are made up of commercial clients including Resorts, Hotels, gyms as well as residential customers.

With exclusive distribution rights to sell the market leading product, they make their money from the construction of new facilities as well as selling all the associated equipment, spare parts and servicing.

Sales and profits have been growing with the current owners receiving profits of \$260,000 in 2019. If you are a licensed builder or carpenter, you can save significant amounts of money on subcontractors and make even higher profits.

Despite the huge amounts of growth in recent years, there is still an enormous amount of opportunity to take the business to the next level.
