1P0692 AO

Franchisors, business investors and manufacturers, this is a rare opportunity.

Well known retail and wholesale pie manufacturer up for grabs for the first time.

Customer base is ready to go.. Annual revenue \$835,000

Having been in the hands of the founder for the last decade, this business is a diamond amongst the rough, and new owners will not let it go. With goodwill and strong customers base, this is one of Brisbane\'s most cherished treasures.

Renowned for its modern take on an Australian classic offering, its loyal following will tell you, there is no better!!

Backed up by over 30 stockists across Brisbane, and consistently featured in media publications, these products are on the way, if not there, to becoming a household name.

A healthy growing revenue stream and net profits for owners over \$130k per annum, this business brings potential that will outshine any other on the market.

Options for new owners to take the brand to where it needs to be. Expand locations, offerings or even franchise.

For investors, you are guaranteed a return on investment and much more.

This business will sell fast, and this opportunity is not set to come around again at this price.
