****THIS BUSINESS IS CURRENTLY UNDER OFFER****

Asking \$85,000 for two territories!

Ever wanted to be your own Boss, have the work life balance you have been looking for - with a wage from day one?

If you\'re a licensed builder looking to get off the tools, this is your opportunity to acquire two established franchise territories on the Mornington Peninsula and join one of Australia\'s leading franchise networks!

On joining Jim\'s Building Inspections, you are provided with two established territories with repeat clientele, tools, full training, support, a wage guarantee program, further lead generation, along with a trusted, leading and dynamic brand.

Established over the last 3 years, the territories have been producing over \$145k p.a. in turnover.

The current owner / franchisee is looking to transition to retirement and has indicated his desire to stay with the business if desired. This would enable a new owner not only to have an amazing mentor, but also the ability to conduct inspections and further increase the income through your areas.
