### Build your dream lifestyle Consulting business - Growing industry with huge profits....Ao

With over 15 years of consulting history, ConsultX offers you a unique opportunity to enter the world of business consulting with a complete system ready to use straight out of training. Once you become a licensee you will have everything you need to build a consulting business for yourself or integrate into your current business.

This is your opportunity to get out of the rat race and invest in yourself with your own consulting business, manage your own time and enjoy a lifestyle business where you are the boss and you directly benefit from the work you put in.

ConsultX is ideal for people who have experience in business that are looking to use their experience to help others grow their business. You can choose to focus on businesses that you have experience in or use the system to cater to all businesses. It is a great additional service for professionals in Accounting Industry.

Our Business Success Program combined with your experience will allow you to help your clients businesses become more profitable, achieve growth and increase in value.

Our current consultants charge a high fee for professional service and the ConsultX system that leverages your time. Couple this with minimal overheads required and you are left with a fantastically profitable opportunity.

The ConsultX Team provides comprehensive training, resources and support for their licensees. This includes;

A leading CRM System that will guide you through all the steps with your clients

Business manuals on how to rescue, grow and scale a business

Weekly educational webinars

White labelled system ready for your business branding

A supportive network of other ConsultX users

Access to new resources as they are created

We are excited to share this opportunity with you. Enquire now to receive our full prospectus on the ConsultX system and the benefits you can expect to receive.

Skills required;

You don't need to know anything about business consulting before you start, in fact some of our most successful consultants don't. You do not need to be an accountant or have any specific qualification or come from any particular background. ConsultX makes the most of what you do know and fills in the gaps for what you don't.

We make it simple to become a successful business consultant. Here are the only prerequisites you need;

Business knowledge and experience

Motivation to get the lifestyle, income and security you desire

Passion to help improve the lives and businesses of your clients
